

RICOH Unified Communication System Advanced Service

POWERED BY

] pexip [

Empower your organization with face-to-face communication, no matter the location or technology.

High-quality video meetings

Reliable, unlimited video calling on a quality-assured global video network.

Interoperability

Connect all your video conferencing technology with a single solution. Connect standards-based video conferencing, phone systems and Skype for Business with mobile and web users in the same workflow.

Simple & Scalable Deployment

Unified Communication System (UCS) Advanced helps your organization simplify complex video conferencing to meet, regardless of location or technology. Our scalable, cloud-based platform is easy to deploy with little impact on the existing infrastructure.
